

WE'RE WORKING FOR A CLEANER WORLD

Prof. BOYD

"It is no longer
necessary to burn or
bury our waste"

Professor Deborah Boyd CEO

Professor Deborah Boyd is the Chief Executive Officer of Re3. Originally from County Armagh, Professor Boyd is one of Europe's leading environmental entrepreneurs. Her expertise in eco-technologies and waste management is sought globally by both government and industry. Deborah is also a member of the Confederation of British Industry and the Institute of Directors.
